Should a blonde wear a black swimming suit?

"Not necessarily black," answers Hazel Adler, international color authority, "although for years black has been almost synonymous with blondes! Today, Fashion demands a colorful and harmonious ensemble in all attire, particularly for swimming. Simply choose the Jantzen colors (for both your suit and accessories) that enhance the beauty of your individual coloring."

Big Time After Torrance Team

Triple A League Invites Local Nine to Join Circuit

The Torrance ball team is too good for its class. At least that is what officials of the AAA league think. They have invited the local club to join the big time semi-pro circuit and Manager Ed Pansey is considering the proposition seriously. In the Bay League Torrance has won 51 out of 65 games and this record has attracted a lot of attention.

Next Sunday the locals will play the Union Pacific nine at the High School grounds at 2:30. Last Sunday Torrance trimmed the Pickwick Stage outfit in a fast game by a score of 6 to 4.

LEGION NOTES

The price of paper is high. The paper committee has hauled in plenty of it, and now the post wants volunteers to report Thursday night behind Sam Levy's store to bundle it up for shipment. Come on you veterans.

A flock of new faces brightened the meeting Tuesday night. The old post is sure growing like a mushroom.

The deadline for new members under the post's prevailing low dues is April 30. Get that new member by then or it will cost him more.

The posts of Inglewood, El Segundo, Redondo and Torrance will meet together at Inglewood Friday night. Meet at the First National Bank here at 7:15. Come on out, boys.

store space next door to take care of the throng which is expected. The new cafe is attractive from all standpoints. Not only is it tastefully decorated and appointed but kitchen equipment is of the most modern variety. The cafe bespeaks the fact that Torrance is growing out of the small town class and is becoming a city. Mr. Connors deserves all the praise he is receiving from his many friends in Torrance. Since opening his coffee shop here his patronage has grown steadily and it is the hope of all who are acquainted with this popular young man that his new venture will meet with the success which it deserves.
